B) Police Contract:

*Thursday there was a brief talk about everything.

*James was wondering if we would still have accreditation because the PD is just at the dorms and not around the other buildings.

*The Chancellor mentioned that they do keep a log of what they do around campus.

The Chancellor reported that they have not had any training but the Chancellor was invited in Dec. to talk to them about what the job entails.

Overall students appreciate them being there , but not in the corridors.
