While the courses listed above are eligible for college credit, the decision to award high school credit for the college course rests with the school district, provided that the decision is consistent with applicable laws, policies and administrative rules.

*General education core classes are required for all four-year degree programs. Students must complete 6 communications credits (C), 3 cultural diversity credits (CD), 6 humanities appreciation/creative arts credits (HA/CA), 3 mathematics credits (M), 6 natural science credits (N), 3 technology credits (T) and 6 social sciences/history credits (SS/H) for the general education core at MSU-Northern. Specific course requirements vary by college.
